What did you discuss?	Read the text: SCUM Manifesto and discussed about it as a group.		
What was the advice?	<p>The text was explaining about how males have power in roles of political leadership, social privilege and the control. How they have authority over women.</p> <p style="text-align: center;">Women being affected by the patriarchal system; Says: "...the male has one glaring area of superiority over the female .."</p> <p>The male trying to be a female? Claims how men are women and women are men.</p> <p>Men don't show their feelings like how women do; they struggle with this matter as if a man cries he is then made fun of, but women on the other hand are comforted by others; so technically men cannot be like women.</p>
